Youth Program & Record of Merit

Youth Program

The Canadian Pinto Horse Association's Youth Program is designed to encourage youth development in the C.Pt.H.A. The program allows youth to accumulate points in approved shows from year to year.

Youths must be members of the Canadian Pinto Horse Association and pay a one time Registration fee of \$10 before points may be earned. The age limit for this program is 17 years as of January 1st of the calendar year.

The program offers a "**High Point Youth of the Year**" award to the youth compiling the most points in approved youth classes, at C.Pt.H.A. approved shows, prior to September 30th of the calendar year. Awards will be presented to youths for "Youth Champion" once they have accumulated 50 points, 20 points in Youth Showmanship and 30 points in performance. A "Superior Youth Champion" award is presented to youths who have accumulated 70 points, 30 points in Youth showmanship and 40 points in performance classes.

Youth Horse Record of Merit (R.O.M.)

The Canadian Pinto Horse Association's Youth Horse or Pony Record of Merit Program is to establish a record of performance for the Youth Horse/Pony.

Horses/Ponies must be registered with the Canadian Pinto Horse Association. A one time fee of \$15.00 is payable to register in this program before points may be earned. Points can be accumulated at any C.Pt.H.A. approved shows in approved youth classes and may be transferred to new ownership with the horse.

Points earned in both Youth Showmanship and Youth performance classes are recorded. Youth Horse/Pony Record of Merit certificates are presented to horses/ponies which accumulated 30 points on a 30%-70% interchangeable basis. For example, a horse with 9 youth showmanship points and 21 youth performance points is eligible for a certificate, as is the horse/pony with 21 showmanship points and 9 youth performance points.

When a horse/pony has earned 50 points on the same interchangeable basis, the horse is presented with a "Youth Horse/Pony Champion" certificate. A "Youth Horse Supreme Champion" award is earned by horses or ponies with 70 interchangeable points.
